RE: DTE 04-10: Nantucket Electric Company

Dear Secretary Cottrell:

In preparation for the evidentiary hearings to be held in the captioned docket on September 13, 15 and 17, 2004, Nantucket Electric Company hereby submits one (1) original and five (5) copies of the curriculum vitae of Dr. Peter Valberg, Principal and Senior Scientist with Gradient Corporation, to qualify him as an expert witness on the issue of electric magnetic fields. In addition, Nantucket Electric submits, in the same numbers, a summary of Dr. Valberg's EMF expertise.

An electronic version of this filing will be sent to you. An additional copy of this filing letter is enclosed, to be date- and time-stamped and returned to me in the attached self-addressed, stamped envelope.

Respectfully,

A handwritten signature in black ink that reads "Paige Graening". The signature is fluid and cursive, with the first name "Paige" and last name "Graening" clearly distinguishable.
